National Policy Reminder

Noting activities of new and established chapters generating logos, tee-shirts, badges, banners, license plates, etc. — a review of FCA policy concerning these items of chapter identification is as follows:

F.C.A. Rules for "FORMATION OF CHAPTERS" in Section A (Formation), Item 2: "A charter chapter shall use only the name designated in its charter. The name of the new chapter shall be listed as : The _____ Chapter of the Falcon Club of America."

Please do not overlook this policy when generating your artwork to identify your chapter. Questions should be addressed to FCA Officers or Directors.

President's Message

It's June and my local chapter is working hard to put on another Regional Meet in Kansas City. California and Florida are also having Regionals about the same time, so try to attend one and have a ball with your Falcons.

We are in the process of compiling a booklet of Tech Tips taken from all the Falcon publications from the beginning of the FCA. They will be for sale soon at a cost of \$10.00. Probably anyone restoring or repairing a Falcon will want one. We need to thank Bob Passino and Jim Throgmorton for compiling these.

Your registrations are needed so we can plan for the National Meet in Knoxville. Awards will be added or taken away according to the numbers. We could also use door prizes and things for goodie bags to make this work since YOU and I are putting on this national event.

Thanks and take care,
Jim Hatcher, FCA President

Chapter News

The *Mid-America* Chapter held its April meeting at Western Sizzlin' in Grandview, MO. There were 34 present with two Falcons driven to the meeting. We are working hard on the Spring Regional in Kansas City. It is June 18 and 19, 1993, at the Ramada Inn Southeast, I-435 and 87st Exit, Kansas City, MO. We plan to have a good time for everyone. The Lincoln-Mercury Club is sponsoring an All Ford show June 20 at the same location to make it easy to take in both events. Our regular monthly meetings are held the first Friday of each month.

In April the *Founder's Chapter* again hosted the 4th Annual Dale Horn Ford-Chrysler Antique, Classic and Street Rod Show in Malvern, AR. There were 125 very nice vehicles registered. We had 16 Falcons lined up, beginning with a 1960 model and going through 1968. Some of our members attended but did not have their Falcons ready. This is a family outing that we look forward to hosting each year. We are now focusing on preparations to go to Knoxville in August. Several of our members will be attending. Our meetings are on the second Saturday night of each month, so whenever any of you are in our area we would be happy to have you. See you in Knoxville.

There was a large turnout of *Mile Hi Chapter* members for the April dinner/meeting at Brooklyn's Restaurant in Denver. Following a social time and the meal a meeting was held to update members on the upcoming activities of the chapter. After adjournment the group ended up in the parking lot for a mini trunk swap meet and gab session. Sixty chapter members have signed up to participate in the May tour to the new Denver International Airport, and a maximum amount have also committed themselves to the North American Air Defense Command tour to be held in June at Cheyenne Mountain AFB in Colorado Springs.

The *Southeast Falcon Chapter* met in March at Shoney's Restaurant for our monthly meeting and had 20 members present. In April a few members went to Pigeon Forge, TN, to a hot rod car show. The men watched the cars and the women went shopping at the outlet shops. We will be going on a trip to Hiawassa in May to listen to country and blue grass music at Mountain Home Music which is owned and operated by club members Larry and Kathy Berrong.

The *Gateway Chapter* held a progressive dinner in April instead of a regular monthly meeting. It was a nice day and everyone enjoyed the fine food and hospitality at the different homes we visited. Even though it was quite a long drive to all the homes, it was fun. We finally finished dessert about 7:00 p.m. and all headed back home.

The *Mason Dixon Chapter* had its season opener at the Grease N' Go in Lake Shore, MD in April. We had 10 members, a lot of special friends, and several visitors during the day. They drove such cars as a '27 T-bucket, a '57 T-bird, and a '65 Falcon!!! Tenth anniversary dash plaques were handed out to all chapter members, and several prospective new members were given applications. Also of special interest, we gave out over 200 hot dogs to members and visitors. A hearty thank you to Larry Estell for setting up this meet which included the neat 1958 model hot dog push cart. It was a hit with members and visitors alike — great P.R. and a great setting for swapping Falcon stories.

Vice President's Message

I am writing this message with 15 days left until the pre-registration deadline and am becoming really concerned. The concern is that the possibility of having all those classes available to you will not happen. Maybe everyone is going to wait until the last minute to register. If so, I'll need to receive at least 20 per day for the next 15 days. This means that the members who were concerned enough to ask questions about separating classes are going to be disappointed because individual classes will not be available for them. Ironical as it is, none of those members has registered to date.

We have only one method of communicating with the membership! That is this newsletter. I really feel the information concerning the Nationals has been over-communicated. My point is that we all must understand the economics of a convention such as this. It requires a tremendous amount of work, preplanning and finances. I ask that you all give this some thought and develop an understanding of what is required to have a successful convention. Reading your *Falcon Bulletin* from cover to cover will keep you informed in more ways than one.

Love Ya All,
Marty

Activities for '93 Nationals

Russ Hoeksema, Chairman of Activities for the 1993 FCA National Meet, has been working very hard to help make your trip to Knoxville more enjoyable by arranging several off-site activities. In the works is a shopping mall trip for those who feel the need to spend somewhere other than the swap area. He is also investigating the possibility of a riverboat cruise.

There are many tourist attractions around the Knoxville area. Information on these will be provided for those wishing to take off on their own.

Finalized activity plans will be published in the July issue of the newsletter. So make your plans now to attend the 14th Annual FCA National Meet!
